**STATE OF NEW HAMPSHIRE  
SITE EVALUATION COMMITTEE**

RE: Application for a Certificate of Site and Facility )  
By Antrim Wind Energy, LLC )  
SEC Docket Number 2015-02 )

**MOTION TO INTERVENE *PRO SE* OF [name]**

Pursuant to the New Hampshire Site Evaluation Committee Rules Site 202.11 and  
RSA 541-A:32, [name] hereby move[s] for permission to intervene *pro se* in the above-referenced proceeding. In support of [his her their] Motion to Intervene, [name] offer[s] the following arguments:

My name is Rosamund C. Iselin. I live within the boundaries of the Willard Pond Wildlife Sanctuary, within sight of the Pond. I am the 5th generation here, great-granddaughter of Elsa Tudor de-Pierrefeu who established the Sanctuary almost 100 years ago. I do not feel that my interests are being represented by the Town of Antrim officials in this matter, and request intervenor status. I am concerned about the quality of the Sanctuary, which is used by many people all year round, will be damaged by such an intrusive project as AWE is proposing again. This is a bird sanctuary, zoned rural conservation district and a place where people come for education, recreation and relaxation. All of these things will be impacted by an industrial utility. I am filing a motion to intervene and request that if I am permitted to intervene with full standing, to participate in all phases and activities of the proceedings, in the interest of a fair process and justice.  
Dated January 25th, 2016  
Respectfully submitted,

Rosamund C. Iselin
